Steam. Slow Burns. And Seriously Questionable Morals.

Hi, McCulties!

Y'all put Beneath the Stars—my very first book baby—on the USA Today list, and I'm forever grateful. It's so surreal to see my very first series hitting lists and being on their own tables in stores.

I love seeing all the tags of you finding them in the wild, NEVER STOP SHARING THEM WITH ME PLEASE!

It's almost February which means it's almost Beneath the Stands time!

Eli Carson walked so James "Hook" could run.

Here's a little taste of what to expect from Eli and the completely off-limits best friend of his little sister.

“I didn’t take you for the soft and sweet type,” she pants.

Annoyance flickers at that *fucking* mouth, and my hand grasps her throat. “You’ll take it any way I decide to give it to you, baby girl.”

She tries to respond but my grip tightens, squeezing hard enough to feel her heart race under my palm.

Her head tilts back as she lets out a moan.

“You don’t like soft and sweet? How do you want me, then? Do you want me here?” My thumb presses into her lip. “Want me to choke you with my cock until tears stream down that pretty face?”

From Wall Street Journal best-selling author Giana Darling comes an MMF romance between an Italian chauffeur dreaming of stardom and the power couple who offer him the deal of a lifetime...

Everyone in Naples told me I was tall, dark, and handsome. An Italian with golden eyes made for fame on the silver screen, even when I was just the young patriarch of my broken, scattered family.
I may have beauty and talent, but opportunities are scarce in the theatre and film industry.
That is, until I become chauffeur to the lovely and glamorous Savannah Meyers, wife to one of the most revered actors in England.
She notices me…in more ways than one.
Before I can check my impulses, I find myself falling for Savannah and her promises.
Only, instead of enraging her husband, Adam Meyers, they approach me to make a very scandalous proposition.
Live with them as their lover, and they will make all of my wildest dreams come true.
